Re: Sale of Monte Oro Resources & Energy, Inc. (MORE) Shares and Subscription to the Increase in Authorized Capital Stock (ACS) of Apex Mining Company, Inc. (APX)

Gentlemen:

Please be advised that the Company will be selling all its 388,694,698 shares representing 7.59% resulting equity of Monte Oro Resources & Energy, Inc. (MORE) after non-subscription to the increase in authorized capital stock at Php 1.00 per share and thereafter the subscription to the Increase in Authorized Capital Stock (ACS) of Apex Mining Company, Inc. (APX) for a 6.24% equity interest at the subscription price equal to the par value of Php 1.00 per share.

MORE owns a 30% percentage interest in Service Contract No. 72 (a service contract for gas in the offshore area off Palawan). MORE also owns 52% shareholdings in International Cleanenvironment Systems Inc. (formerly Jancom Environmental Corporation) which has a BOT Contract with the Republic of the Philippines for solid waste management for Metro Manila.

Apex Mining Company, Inc. (APX) is a company whose shares are likewise listed in the PSE. It is principally engaged in the business of mining and production of gold, silver, copper, lead and other precious metals. The new capital infusion will be used to expand the business of APX, and allow it to have another mineral processing plant and expand its operations in the Municipality of Jose Panganiban, Camarines Norte. The infusion of fresh capital will likewise result in APX having a healthier balance sheet with an increase in its asset base and equity.

Thank you for your kind attention.

Very truly yours,

ATTY. ROSA ANNA DUAVIT-SANTIAGO
Vice – President/ Chief Finance Officer/Treasurer
